

WATER Treatment WAREHOUSE

SCALE REDUCTION SYSTEM

- Environmentally friendly ***“no salt water softener”***
- Uses ***no salt, no backwash water, no electricity***
- Great for low water supplies, or on town water
- Important as pre-treatment for Ultra Violet systems
- Prevents lime scale build-up especially in hot water appliances such as ultra violet sterilizers, hot water heaters, dishwashers, kettles, washing machines, and in plumbing pipes
- Helps to clear out existing scale buildup from pipes and appliances
- Does not add anything to or remove anything from the water
- Exclusive PURIFINER product made in Canada

(613) 968-6256 1-180 North Front St., Belleville ON K8P 3B9
